Donation for the fruit import season 2026

FFC Fresh Fruit Company, Hamburg, Germany
and
The Two Oceans Aquarium Foundation, Cape Town, South Africa
(NPO # 234-805 NPO)

Dear Victoria; dear Talitha,

30.4.2026

We promise to support you and your turtle project also this year! In Germany and Austria, we continued to sell our stonefruit which we import from South Africa in recyclable paper trays instead of plastic trays. Unfortunately we lost one client for paper trays. But…

…our promise is unchanged; we will donate € 0,01 per tray which we can replace with a paper tray.

We can herewith announce that we sold this season

346.400 paper trays

which will return a total donation for the TOA for the year 2026 of

€ 3.464,00

Kind regards

Christian Hencke
